REHABILITATION CENTER

Homegrown.

For seniors in Greater Nashville, Blakeford Senior Life is not just a provider of residential living and services. We're a partner. As a homegrown Nashville nonprofit organization, we work with seniors to create the living experience that works best for them and for those who love them. Whether that's in a beautifully designed residential setting on our Green Hills campus or in a longtime family home, the goal is not to change life, but to enhance and enrich it as we age.

Restoration. Recuperation. Recovery. Results.

Our singular focus here at Woodcrest is on restoring strength, mobility, and confidence. Tracking and replicating positive results for our clients has enabled us to consistently achieve functional gains that are well above the national average. We also believe that specialization is increasingly important in order to ensure that our clients are receiving the most advanced and proven therapies available, so our clinical staff is trained in specialty protocols for cardiopulmonary, stroke, cognition, orthopedics, and wound care.

A ROADMAP BACK TO HEALTH

- Customized treatment plans
- Focus on higher levels of balance, strength, and skills training
- Post-discharge recovery monitoring
- Documented lower hospital readmissions
- Higher-than-average successful outcomes

Insurance is Not a Barrier

The Woodcrest at Blakeford Rehabilitation Center accepts Medicare and most commercial insurance as well as Medicare Advantage plans. Please call 615-665-2217 for more information about our services and options for your specific coverage.

The Rehab-to-Home Center

For higher-functioning clients who need to transition between hospital and home, The Rehab-to-Home Center at Blakeford provides a bridge solution where comfort, privacy, hospitality, and professionalism are valued equally. Here, clients stay in hotel suite accommodations with in-suite meal service. There's a dedicated entrance for guests and a private family room featuring complimentary snacks and refreshments.

Outpatient Therapy

The Woodcrest at Blakeford Rehabilitation Center also provides Outpatient Therapy services to clients of all ages following surgery, illness or injury when hospitalization or 24-hour nursing care is not required.

“I have never experienced such total care. Each requested item or need is taken care of immediately. Please thank each staff member involved in getting me ready to face the world again.” – Gloria C.
